

Our Mission

To inspire and serve women who need to hear how God loves us, forgives us, helps us with our imperfections, and uses us for His good.

How?

By leading through fellowship and through sharing stories of our imperfections with humility and humor.

Our Vision

To use our writing and our speaking about God's love to reach women and to support them in their faith walk.

Our Values

We value Bible-based teachings demonstrating service to others.

We aren't perfect, but we love Jesus.

Our God isn't finished yet, so neither are we!

Getting Women's Fellowship Started . . .

Determine interest.

Distribute a survey and tally the results. A link to a survey template can be found on the resources page of our website:
www.unfinishedwomen.com.

Establish a committee.

Many hands make light work. Ask a small group of women to form a committee. First, discuss the survey. Decide how to meet the needs of the women in the church. Next, establish a chair for the committee (Michelle and Julie co-chair). Finally, determine who will be responsible for what:

- Ask someone to chair decorating.
- Ask someone to be responsible for food.
- Who wants to coordinate setup? Clean up? Sign up?

Let each woman use their time and talents to bring the event together.

Set dates.

Determine the time the fellowship event will be held and a location. Be consistent. If meetings are monthly, by monthly, 2 times a year, make sure the timing does not change so women know when to be where for each event.

Just start!

Maybe the first event is coffee, donuts, and "what is your favorite thing about Jesus? Each event doesn't have to be perfect! The important thing is getting together to talk about faith and to join in fellowship. Doing something is better than doing nothing! Get some women together and talk about Jesus.
